

CLASSROOM RULES AND PROCEDURES

Unit Description:

Instructors: Cassie, Elizabeth, Levi. This 3 day unit is designed for college students. Its importance arises from the simple fact that teaching and learning become much more difficult to accomplish when a classroom doesn't have adequate rules and procedures and ways to implement them.

Unit Content Objectives:

1. Understand the importance of classroom management in regards to classroom rules and procedures
2. Students will understand how to implement classroom rules and procedures in their future classrooms

Unit Procedural Objectives:

1. Students will be able to discuss both their experiences and the text in a meaningful manner

Unit Grading Breakdown:

Entrance Ticket (x2)	5 points each
Exit ticket (x2)	5 points each
Group Discussion Participation (Monday)	20 points
Action Step Poster (Wednesday)	20 points
Gallery Walk Poster (Friday)	20 points
Exit Discussion Participation (Friday)	20 points

Responsibilities of Student:

1. Attend class and be on time
2. Respect yourself, your peers, the teachers, and the classroom
3. Actively participate
4. Be flexible and tolerant of ambiguity
5. No cell phone use unless approved for a specific activity
6. Pay attention during class and try to be an active participant
